The Aggregate and Ready Mix Association of Minnesota is pleased to present the first in its 2008 Legislative Breakfast meeting series. The Legislative Breakfast meeting provides a wonderful opportunity for members to be involved in meaningful dialogue of legislative issues that impact the aggregate and ready mix industries with key legislators. The Legislative Breakfast provides an occasion to meet with legislators face-to-face to discuss important legislative issues. The breakfast is also a great forum for members to discuss the current state of the industry in regards to legislative issues and a time to formulate plans of action. We invite you to be a part of this exciting event! The ARM Board of Directors will meet immediately following the conclusion of the Legislative Breakfast.

All ARM Members are invited to attend the Board of Directors Meeting immediately following the breakfast.
